

GEOSS Workshop XXXV

INSPIRE 2010 conference – INSPIRE in the global dimension

Organised by the EuroGEOSS project – Integration of European information systems for Drought, Biodiversity, and Forestry

Organised on behalf of the EuroGEOSS program

Details: http://inspire.jrc.ec.europa.eu/events/conferences/inspire_2010/krakow.cfm

Location and Date: Cracow, Poland June 23 - 25, 2010

INSPIRE in the Global Dimension, organized by EuroGEOSS project - integration of European Information Systems for Drought, Biodiversity, and Forestry, June 23 - 25, 2010

Wednesday June 23, 2010

Time	Topic	Speaker
SESSION 1: Opening and context for EuroGEOSS		
14:00	Welcome and opening	Max Caglia, Francis Bertand, Jay Pearlman
14:15	INSPIRE and GMES	Hugo de Groof (DG ENV)
14:55	GEOSS Perspectives*	Alan Edwards
15:30	Coffee and Tea Break	
16:00	What is exportable about INSPIRE How to contribute to a global management of GI	Mauro Salvemini
16:30	EuroGEOSS – a demonstration Program *	Max Craglia
17:00	Open discussion	
17:30	Adjourn Session 1	
DINNER	EuroGEOSS ADVISORY BOARD dinner	

Thursday June 24, 2010

Time	Topic	Speaker
SESSION 2: INSPIRE plenary on Global Dimensions		
9:00	Global Strategy and developing countries	Invited Expert (TBC)
9:30	A strategy for Spatial Data Infrastructure	Suha Ulgen
10:00	2010 the Year of Biodiversity *	Bob Scholes
10:30	Coffee and tea Break	
SESSION 3: Global perspectives on selected thematic areas		
11:00	Global Perspective on Drought *	Mark Svoboda
11:30	Global Approach on Forestry *	Roman Michalak
12:00	Global requirements for Interoperability (GIGAS)	Clemens Portele et al.
12:30	Lunch	

SESSION 4: EuroGEOSS contribution to the Global Earth Observation System of Systems		
14:00	Multi-disciplinary Interoperability: the EuroGEOSS Operating Capacities *	Stefano Nativi
14:20	EuroGEOSS for Biodiversity – New Approaches to Monitoring and Forecasting at the Global Scale*	Stephen.Peedell et al.
14:40	Drought *	Stefan Niemeyer
15:00	EuroGEOSS Forestry Operating Capacity – status and outcomes *	Gerimantas Gaigalas
15:20	Cross-cutting benefits of GEOSS *	Steffen Fritz
15:40	Afternoon Break	
SESSION 5: European Research Projects for GEOSS		
16:10	EnviroGRID	Anthony Lehmann
16:30	AEGOS	Agnes Tellez-Arenas
16:50	Geo Land2 SDI – A spatial data infrastructure component of the GMES land monitoring core service	Erwin Goor et al.
17:10	Panel - Adapting EuroGEOSS to African Applications:	Jay Pearlman (Chair); Bob Scholes; TBD African expert; TBD African Expert
18:00	Adjourn for June 24	
Friday June 25, 2010		
SESSION 6: European Research Projects for GEOSS		
9.00-10.30	EuroGEOSS internal meeting	
10.30	Coffee Break	
11:00	Oceans Apart? – has INSPIRE brokered cooperation in the oceanographic community?	Keiran Millard et al
11:20	EO2HEAVEN – earth observation and environmental modelling for the mitigation of health risks	Jose Esteban et al.
11:40	GS Soil – progress of the transnational cooperation in building up a SDI for European soil data	Katarina Feiden et al
12.00	EU DEM – the new EU-DEM for the initial GMES service for geospatial reference data access	Andreas Keim
12.20	Modernising Aeronautical Information Management	Debbie Wilson et al
12:45	Lunch	
14:00	Discussion and Way Forward	Max Craglia, Francis Bertrand, Jay Pearlman
16:00	INSPIRE Conference Wrap-up (Plenary)	

* Presentation to be recorded for the EuroGEOSS on-line tutorial series
